

## DECIDED HIT IS MADE BY MINSTRELS

B'nai Brith Black Face Comedians Amuse Crowded House.

Better than many professional minstrel shows and funnier than the average amateur performance was the production offered by the Independent Order of B'nai Brith minstrels at the Shubert theater Tuesday night. The house was packed with a merry, enthusiastic audience in which were many of Salt Lake's most prominent society folks.

The chorus was exceptionally pleasing and the solo numbers were well given. Professor Charles Kent, interlocutor, and his funny and men, with their bones and tambourines, kept the audience in a happy mood all the time. The jokes, so often stale and lacking in real humor in a professional minstrel show, were new and really amusing.

Among the songs happily received were "Angel Eyes," by Alex S. Campbell and chorus; "I Love You Still," by Professor Kent; "Garden of Roses," by Martin Cohn; and "Garden of Dreams," by Sam Rosenblatt. The other numbers included in the first part of the programme were also decidedly well rendered.

The I. O. B. B. quartette, composed of Henry Taylor, Emanuel Smith, Charles Kent and Samuel Hucini, sang several delightful selections.

Leavitt and Cohn in "The Two Counts," imported from Paris at great expense, with return tickets and meal tickets guaranteed, entertained with a bunch of nonsense landed out in packages of a thousand laughs each.

In a "Musical Evening in Conville," Harry Sheridan Joseph, Herman Slegel, Abe Wolf, Milton J. Joseph and John Stewart proved beyond doubt that they are headliners. In this skit, Mr. Joseph played the piano in such a manner as to make his auditors forgive him

for playing on the base viol with a hand saw earlier in the programme. Lou Marcus and Ezra K. Baer, "The Marabar Duo," appeared in "Fun and Music." They were applauded repeatedly. Henry Auerbach, ex-president of Golden Gate lodge No. 129, San Francisco, gave "A Little Philosophy," in his own original way. He not only convulsed the gallery with merriment, but he made the old folks laugh until they were black in the face.

The programme closed with a song and dance by the Beverly sisters that was one of the best things on the bill.

Singerman's I. O. B. B. orchestra added much to the entertainment.

NEW REVIDER—L. O. B. E. Minstrels. Evening, 8:15.

Franklin Farnum, who takes the leading male role in "The Dollar Princess," which comes to the Salt Lake theater Thursday evening, has a rare combination of being an extremely graceful dancer and a singer of unusual range of voice.

The many friends of Viola Pratt Gillette and Franklin Foster, who are playing in "The Beauty Spot" at the Colonial the first part of the week, turned out in force again Tuesday evening to give these two popular singers a hearty reception. The last two performances of this beautiful production will be given at the Colonial this afternoon and evening, and judging from the advance sale, crowded houses will greet both performances.

With a double two headline acts, supported by a series of strong numbers, the Orpheum bill this week is appealing very greatly to patrons of vaudeville. Augusta C. Day and Ida O'Day, known the hours in the billing. They are closely followed in public estimation by several of the other acts.

The sale of seats for the engagement of that very popular comedian DeWolf Hopper, at the Colonial for three nights and a Wednesday matinee, starting next Monday evening, will begin at the box office of the Colonial Thursday morning. Mail orders will be received now. Mr. Hopper will appear in his latest success, "A Matinee Idol," in which he made his record-breaking run at Daly's and the Lyric theaters, New York. Mr. Hopper will appear under the management of Daniel V. Arthur, and will bring with him Miss Louise Greaser and the entire New York company.

Following the policy established by Henry B. Harris with his "The Third Degree" and other companies, the presentation of "The Traveling Salesman," the latest comedy success of James Forbes, author of "The Chorus Lady" and "The Commuters," will be of the same high character, as was in evidence when Mr. Harris's other plays were presented here. "The Traveling Salesman" will make its bow to the patrons of the Salt Lake theater on Monday afternoon, December 19, for a week's run.

### ENJOYABLE DANCE GIVEN BY POSTOFFICE CLERKS

The dance given by the postoffice clerks in Unity hall Tuesday night was a success in every way. The attendance was just right, the floor in perfect condition, the music excellent, and everybody in just the proper mood for a good time. Dancing began at 9 o'clock. Although it was not a full dress affair, many very pretty gowns were worn by the ladies. The dance was also a success financially. To begin with, the advance sale of tickets was enough to make the dance a success, and there were many in attendance who had not previously secured tickets.

The committee on arrangements consisted of Miss Kate Mangum, Miss Fannie M. Bird and Charles H. Carr, the committee on refreshments of Miss Angie Rickford, Miss Eva Hamlin and Miss Edith Markham; the reception committee of Mr. and Mrs. J. E. Seely, Mr. and Mrs. F. M. McArthur, Mrs. E. L. Markham and Mrs. M. Stewart; and the floor committee of E. H. Nalshitt, E. Scarborough, J. H. Lawrence and John Stevens. Music was furnished by the Harry E. Freeman orchestra.

A unique feature was the design of badges worn by the members of the different committees. These consisted of white badges with the word "Committee" and a postage stamp stuck upon them, which was stamped with the date of the dance.

### PRESBYTERIANS DISAGREE CONCERNING IMMERSION

PITTSBURG, Dec. 13.—A movement to authorize baptismal immersion in Presbyterian churches in the United States was reported favorably by a committee to the Pittsburgh Presbytery today, but after a heated discussion, as reported, the word "baptize" substituted.

Rev. Dr. R. S. Shaff made the recommendation that the word "sprinkling and pouring" be stricken out of the book of discipline and the word "baptize" substituted.

Rev. John Royal Harris said: "I would not immerse in the name of the Trinity. I would leave the church first."

Rev. C. S. George suggested that those who do not should be given "a clean bill of health and sent over to the Baptist church."

The change was finally defeated.

### BROTHER OF SLAIN SENATOR WANTS COOPERS PUNISHED

NASHVILLE, Tenn., Dec. 13.—A petition asking that the Davidson county criminal court declare illegal and void the proceedings by which the case against Robin J. Cooper, charged with the murder of Senator Edward Carmack, was dismissed, was presented this morning by all the attorneys who represented the state in the trial in which Robin J. Cooper and his father, Duncan B. Cooper, were convicted, and by Samuel C. Carmack, brother of Senator Carmack.

It charges that the effort to acquit the defendant was a fraud upon the state done with the knowledge of any lawyer representing the state and without conference with any witnesses for the state.

## To Break Up a Cold In Twenty-Four Hours!

CURE ANY COUGH THAT IS CURABLE.

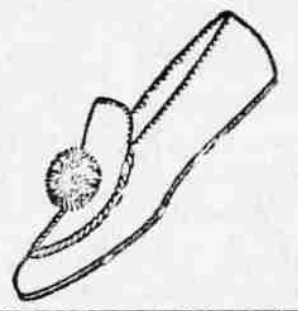

Get from the drug store, and mix together in a large bottle, 2 ounces of glycerine, 8 ounces of pure whisky and half ounce of virgin oil of pine. Shake well, and take a teaspoonful every four hours. It will quickly heal any irritation of the mucous surface in throat and bronchial organs.

This formula was used and recommended for many years by the late Dr. W. A. Leach, who claimed it would break up a cold in twenty-four hours and cure any curable cough. The well known healing properties of pine, in its action on the respiratory organs, are present in the genuine virgin oil of pine. This, combined with its absolute freedom from opiates and narcotic drugs of any description, makes it an invaluable remedy for the family medicine chest.

In the case of young children, a drop of the pine on a little sugar provides a pleasant as well as effective remedy for coughs and colds. Oil of pine is also frequently used in this way by preachers and public speakers to relieve hoarseness and other affections of the vocal organs. Its effect is almost instantaneous. The genuine virgin oil of pine is put up in half-ounce vials for dispensing through druggists, and prepared only in the laboratories of the Leach Chemical Co., Cincinnati, O., who guarantee its freshness and purity.
